## Core Values and Vision

At Priors Hall – alc, we share core values that rest in line with our IFTL family. We are relentlessly driven by our pursuit of excellence and high expectations for learning, behaviour and respect for every member of our community. We believe every child should be valued, safe, respected, happy and free from bullying in any form at all times.

## Definition of Bullying

There are many different definitions of bullying in use. At Priors Hall, we agree that the key factors that make behaviour ‘bullying’, as opposed to “having a laugh”, venting frustration or a non-bullying incident of physical or verbal violence/aggression are:

- repetition of behaviour, systematically undermining a person over a period of time
  - an imbalance of power between the person on the receiving end of the bullying and the person or persons doing the bullying.

Bullying is when one or more people physically, emotionally or psychologically hurt or cause harm to a person who is in a weaker position than him/her/them, and so is less able to defend himself/herself. Bullying is the abuse of power by one person over another. Bullying usually happens over a period of time, and consists of a series of different incidents.

## Categories of bullying include:

**Physical** hitting, kicking, spitting, tripping someone up, stealing/damaging someone’s belongings.

**Verbal** name-calling, insulting a person’s family, threats of physical violence, spreading rumours, constantly putting a person down.

**Emotional/psychological** excluding someone from a group, humiliation.

**Racist** insulting language/gestures based on a person's actual or perceived ethnic origin or faith, name-calling, graffiti, racially motivated violence.

**Sexual** sexually insulting language/gestures, name-calling, graffiti, unwanted physical contact. **Homophobic** insulting language/gestures based on a person's actual or perceived sexuality, name-calling, graffiti, homophobic violence.

**Cyber** bullying by text message, bullying on the internet (in chat rooms, on bulletin boards and through instant messaging services), hate websites.

All of the types of behaviour listed above are unacceptable and will not be tolerated in any form at Priors Hall. (Please note the list above is not exhaustive and other examples and types should be considered).

### **Signs and Symptoms of Bullying**

Many children and young people do not speak out when being bullied and may only indicate by signs or behaviour that he or she is being bullied. It is therefore imperative all staff and parent/ carers are fully aware and remain alert to the signs and symptoms a child may exhibit if they are being bullied. The possible signs and symptoms are extensive and will be included within the schools specific anti-bullying policy but essentially a change in behaviour is a key indicator.

### **Aspirations**

We strive to promote and create a nurturing, caring, inclusive and purposeful learning environment where children feel safe, protected, happy and secure. Bullying of any form is a 'non-negotiable' and will not be tolerated with or towards any members of our community, staff and children alike. At Priors Hall, we believe in nurturing

responsible citizens where mutual respect, kindness and care underpins everything we do.

### **Procedures and Reporting**

- 1) Any form of bullying should be formally recorded using cPOMs.
- 2) A senior member of SLT should be informed.
- 3) Parents of all parties involved in the incident will be informed and this will be logged on cPOMs.
- 4) Incidents of bullying will result in conflict resolution meetings, which depending on the circumstances, may involve parents.
- 5) Meetings will involve a variety of outcomes and any incidences of bullying will involve intervention by a specific conflict resolution plan linked to the behaviour policy, enabling children to understand the impact of their behaviour.
- 6) Any instances of bullying will be fed back weekly during SLT, along with action plans., to identify patterns and trends
- 7) Incidents of bullying will be reported to IFtL on a half termly basis and this will formulate part of the evaluation and monitoring process.

### **Core Values**
