Dear Parents/Carers

Class Assemblies and Class DOJO

Welcome to the academic year 2021-2022! We have been so impressed and pleased with how well all of the children have settled back into school and how well our new Reception children have started their life at 'big' school!

Class Assembly Performances

We are super happy that the restrictions have eased for schools, which means that we can now plan events that you as parents and carers are actually able to attend and enjoy! These include class assemblies. I have attached a timetable of these, so please make a note of when your child's class will be performing. It will be great to have you in school watching their showcase of learning. We ask that no more than two attendees come to watch and younger siblings are more than welcome.

Class DOJO

We are so lucky that we are able to communicate with you using the class DOJO app. Please make sure you have this downloaded as class and school reminders will be sent regularly. This year, we are introducing 'what am I learning' posts. Every class will be posting weekly updates of children learning. Teachers will also be sharing what objectives children will be working on in class the following week. This will enable you to support at home during the weekend if you wish. Doing this will allow you to know exactly what your children will be learning in school on a weekly basis. I am sure that every parent has heard the reply 'nothing' when you ask what your child what he or she have learned in school!

Our teachers will set 'quiet hours' on DOJO and are not expected to reply to any messages after 4pm or before 8am. Please do not send any abusive or unkind messages via DOJO. If you are upset or worried about something, please email phase leaders in the first instance – Justin Pye (Years 3,4,5 & 6) Charlotte Brazier (Reception, Year 1 and Year 2).

School Comms – The Gateway App

Please ensure you have this downloaded so that you receive all of the letters from school. You also need this to pay for trips and any charity non-uniform days we may have.

We look forward to seeing you in school to watch your child's class performance! There will be other 'watch me learn' days planned and they will be communicated by class teachers.

Parents' evenings will be held during the week commencing 18th October 2021 and further information will be sent closer to the time.

Thank you, as always, for your continued support

Yours Sincerely

Tess McQuade
