Priors Hall – A Learning Community Equality Objectives 2020-2021

At Priors Hall – A Learning Community the spiritual, social moral and cultural development of all our children is paramount. We believe that the most important function of the school is to maintain an environment in which every member of the school is able to achieve success and self-fulfilment. There must be a total consistency of expectation that everyone (irrespective of gender, ethnicity, religion or culture) should feel safe and secure; have empathy for all others and place a high value upon individual achievement and personal development. To achieve this, our equality objectives are as follows:

• To promote spiritual, moral, social and cultural development and understanding through a rich range of experience, both in and beyond the school.

- We have a uniform policy, which does not specify uniform by gender
- We have trained six Youth Mental Health First Aiders, including two Senior Leaders, a teacher, two TAs and an office administrator
- Daily Mindfulness sessions have been introduced into all of our classrooms to provide children with strategies they may need to regulate and look after their own mental health
- Our Year 5 cohort have completed training and have become 'Mental Health Champions'.
- Greater use of the student leadership group on particular equality related issues in school, including school values and school uniform
- We are going to create a self-referral 'emotional health and well-being centre' in school. The Inclusion Team have visited other schools who do this successfully with the view of it being introduced at the end of this academic year.
- We prepare our pupils for life in a diverse society and ensure that there are activities across the curriculum that promotes the spiritual, moral, social and cultural development of our pupils.
- We promote a whole school ethos and values that challenge prejudice based discriminatory language, attitudes and behaviour.
-

• To reduce prejudice and increase understanding of equality through direct teaching across the curriculum.

- Our Personal Development Lead and Assistant Headteacher have worked alongside the Trust to implement a broad and balanced RSE curriculum, which has had parental consultation

- We teach about difference, diversity, and the impact of stereotyping, prejudice and discrimination through PSHE, RSE and across the wider curriculum.
- **We include the contribution of different cultures to world history and that promote positive images of people**
- We provide opportunities for pupils to appreciate their own culture and celebrate the diversity of other cultures.
- we have featured on the 'Diversity Symposium' in Milton Keynes; showcasing our 'Speed Faithing' event which has raised awareness of, and celebrated, all of the religions and beliefs of children in our school.
- School leadership team have worked with an LGBTQ+ charity to ensure that the school provides teaching to increase the level of understanding of transgender children amongst our cohorts.
- We use materials and resources that reflect the diversity of the school, population and local community in terms of race, gender, sexual identity and disability. We avoid stereotyping.
- **We provide opportunities for pupils to listen to a range of opinions and empathise with different experiences**

• **To ensure that all pupils are given similar opportunities with regards to after-school clubs and enrichment activities.**

- All children have access to the same after school clubs
- A range of after school clubs are provided which cater for a wide range of interests, e.g. sport, French, films, colouring etc, and where possible, pupils and parents can contribute to decision making process of which clubs are offered.
- Pupil Premium eligible families are supported in funding enrichment and after school clubs.
- Pupil Premium Strategy clearly outlines where funding is used strategically to ensure that eligible children have access to enrichment opportunities across the curriculum.

• **Narrow the attainment gap between those children considered to be 'disadvantaged' and those who are not.**

- From September 2020 our new data tracking systems have enabled teachers to focus even more precisely on identifying and addressing gaps in progress between identified groups, such as 'disadvantaged' and their peers.
- We avoid language that runs the risk of placing a ceiling on any pupils' achievement or that seeks to define their potential as learners, such as "less able". We use a range of teaching strategies that ensures we meet the needs of all pupils.
- We have regular pupil progress meetings led by our assessment lead to identify and provide support to pupils at risk of underachieving.
- New Inclusion Lead is taking an active role in working alongside classroom teachers to ensure that inclusion category children (PP, SEND, EAL, bottom 20% and More Able) are supported and challenged effectively.
- Our new Whole Class Reading approach is centred in providing cultural capital, supporting all pupils in learning about a wider range of topics and themes to broaden vocabulary and pupil experience. These learning experiences support bridging gaps that disadvantaged pupils can face in their knowledge and experience of the world.

• **To allow equal access to information for all parents.**

- We have clear policy and procedure to follow in which parents can request information of their child's records – this is overseen by the Head of Compliance at IFTL. The policy is available on our website or a printed version can be supplied via the school office.
- Half termly year group newsletters are sent to all parents so that they are aware of the areas of learning their children are undertaking. On ClassDojo these messages can be electronically translated into home languages so that parents who do not speak English fluently can access.
- Parents who do not live with their children receive an additional copy of correspondence so that they are up-to-date with their child's progress.

• **To ensure the school environment is accessible to all pupils, staff and visitors.**

- maintained the lift in the community centre.
- worked alongside any stakeholders with disability to ensure that all they need is in place, on an individual basis
- Disabled toilets are available throughout the school

- SENDCo regularly reviews the access arrangements of the school alongside the DSL and Site Supervisor to ensure that the needs of all children, staff and visitors can be met.
