15th September 2021

Dear Parents/Carers,

As part of the National Curriculum for music, all children in Key Stage 2 must have the opportunity to learn an instrument. In order to deliver this part of our curriculum, we have built close links with NMPAT and secured additional funding to support develop our music curriculum allowing all children in Year 6 the opportunity to learn a brass instrument.

From Friday 17th September NMPAT will be coming into school each week to work with our Year 6 children. Each child will have their own instrument provided for the length of the project and will be taught by a music specialist. Further information will be given out during the project.

If you have any questions, then please feel free to contact the school office.

Yours sincerely,

Ben Lynch
Assistant Headteacher
