## Nursery Newsletter - Term

## Welcome to Nursery!

What a wonderful term it has been, welcoming many new children into Nursery to join our returning children.

We have spent lots of time building friendships, making strong links with our teacher and keyworkers and learning the routines of the setting. Personal, social and emotional development is at the heart of our learning focus this term as we strive to ensure positive friendships and relationships are formed.

As always, our planning has followed the interests and engagement of the children in our selting; we have had strong interest in Superheroes, vehicles, dinosaurs and exploring the world around us. Through our planning. we have extended children's interests to motivate their learning; high levels of wellbeing and involvement have meant that children are settling into Nursery and are beginning to en joy being ready for learning and ready for life at Priors Hall!

## Key In formation

## Spare Clothes

The children have been extremely excited to explore all of the sensory and messy play available to them! Please ensure that your child comes to Nursery with clearly labelled spare clothing so that we are able to support them in being clean and dry throughout the day

## Timings of the Day

The nursery door will close to parents and carers promptly at 9.00 and a fter this, children should be dropped at the main nursery entrance with a member of the nursery team. This is to minimise disruption to other children and promote a smooth start to learning each day.

## Allergies

A polite reminder that we are a nut free school. Please do not send your children with any nut products in their lunchboxes, this helps us keep everyone safe.
