Y1-Y6 Science Overview 2024-25

	Year 1	Year 2	Year 3	Year 4	Year 5	Year 6
Autumn 1	Seasonal Changes Animals including humans	Materials – Materials and their properties	Materials -Rocks	Electricity	Animals including humans	Electricity
Autumn 2	Seasonal Changes Plants – Deciduous & Evergreen	Materials – How materials can be changed	Energy -Light	Living things and their habitats – Animal groups and Classification	Materials	Energy -Light
Spring 1	Seasonal Changes Human Body	Animals including humans	Forces and magnets	Sound	Forces and magnets	Animals including humans -Evolution
Spring 2	Seasonal Changes Materials	Plants	Plants	Animals including humans	Living things and their habitats	Living things & their habitats – Scientists and Classification Keys
Summer 1	Seasonal Changes Plants – Parts of a plant	Living things and their habitats – Local Habitats	Animal including humans - Diets	Living Things and their habitats – Habitats and impact on habitats	Earth and space - Earth	Living things & their habitats – Classification Keys
Summer 2	Seasonal Changes Energy	Living things and their habitats – Habitats beyond the local area and food chains	Animal including humans – Human body and skeletons	Materials -States of Matter	Earth and space - Space	Animals including humans -Circulatory Systems
